

## HOW TO MEASURE

**HEAD:** To figure out your UA fitted hat size, measure the circumference of your head where your hat will rest. If you don't have a tape measure, use a string and measure it against a ruler. Find your measurement on the size chart to determine your ideal UA hat size.

## HOW TO MEASURE

**CHEST:** Place the tape measure under your arms at the fullest part of your chest, wrap around your body until your fingers meet and mark the measurement.

**WAIST:** Measure around your natural waistline—right above your hips. Be careful not to squeeze too tight to allow a little give.
